

REFERENCE 3.5

DESIGN FEATURES:

Extremely large true ribbon tweeter

Acoustic phase correction design

2 X Purifi Woofers

1 x Purifi Midrange

Point to point wired crossovers

Extremely low loss crossover (DCR 0.050hm)

DC-biased capacitors

Immanence equivalent internal wiring

Large, low compression bas-reflex system

Reflex tuned midrange enclosure for highest dynamic control and expressiveness

Double decoupling base system with spikes

WBT pure silver speaker terminals

SPECIFICATIONS:

Bandwidth (in room)	25Hz-40kHz
Sensitivity (in room)	94dB
Nominal impedance	4ohm
Power handling (music)	500W
Size (H:W:D) incl spikes	112cm:18.5cm:55cm
Weight	45Kg

Pilegårdsparken 64, 3460 Birkerød, Denmark
